

BUS NOTES

If your child will be taking a different bus than he/she normally rides, he/she will need a note for the teacher and bus driver signed by the parent and stamped by the school office. Below is a sample of a note you can send with your child when they will be riding a bus they don't normally ride. Please include a physical address to aid the bus drivers, as there are times that a substitute may be driving your child. **If your child does not have a note or you have not called the office to inform us of your change in plans, he/she will be sent home their usual way.**
