Monthly Report for January

Town of Winslow

February 5, 2012

## **General Assistance:**

General Assistance applications are expected to be very high this winter and we are expending much more than anticipated. I am afraid the need is going to be much higher than expected.

The after holiday applications have begun to pile up.

## **Building Permit Report:**

New Building is slow to move forward with a small increase in major permits. We have issued two (2) permits this month and collected \$259.00 in fees with an estimated value of \$1,984.00.

## **New Building Projects:**

Mid-State Machine has started the permit process on a 1.5million dollar addition.
